

“Last season, I saw a reduction in damage from adult annual bluegrass weevils and grubs on banks around greens and bunkers after one application of Allectus in June. I liked the flexibility of being able to apply Allectus a little later in the year based on the weather conditions and still achieve control of both surface feeders and grubs with one product. The labor savings really helped.”

Sean Remington, Green Valley Country Club,
Lafayette Hill, PA

“The Allectus application I made at the end of May gave me 60 days of cutworm control, which is about 30 days longer than what I had previously received with other products. I basically cut my insecticide treatments for control of ataenius beetle adults and ataenius grubs in half with Allectus. I’d estimate savings of at least 33 percent on chemical costs and labor with Allectus. We’re going to expand our Allectus use to about 40 acres of the course next year.”

Rick Hynson, Boone Valley Golf Club, Augusta, MO

Formulation	Turf Use Rate	Ornamental Use Rate
G Granular for residential turf	50 to 125 lbs. per acre	N/A
GC Granular for golf courses	50 to 250 lbs. per acre	N/A
SC Liquid for residential areas	1.1 to 4.5 pints per acre	Flowers and groundcover: 1.32 to 1.65 fl. oz. (40 to 50 mL) per 1,000 ft ² . Foliar sprays: 6.7 to 21.3 fl. oz. per 100 gal of water.
GC SC Liquid for golf courses	1.8 to 9 pints per acre	Flowers and groundcover: 1.32 to 1.65 fl. oz. (40 to 50 mL) per 1,000 ft ² . Foliar sprays: 6.7 to 21.3 fl. oz. per 100 gal of water.
Fertilizer	Varies. Refer to label.	N/A

WHAT IT IS.

Powerful product, based on industry’s #1 and #2 insecticides

WHAT IT DOES.

Controls all major surface-feeding and subsurface turf and ornamental insects.

WHY IT’S BETTER THAN THE COMPETITION.

- Wide treatment window and rate range to choose from
- The broadest-spectrum control of insects above and below ground
- Gives you superior control with fewer applications per season which means lower labor costs

HOW IT MAKES YOUR JOB EASIER.

Think powerful. Think convenient. Wide application windows, long residual, season-long control of surface feeders and white grubs.

RELAX. YOU’RE BACKED BY BAYER.

Training. Troubleshooting. Innovating. Count on us to stand behind you now and for years to come. Get science and support at BackedByBayer.com or 1-800-331-2867.

allelectus

THE SCIENCE OF ALLECTUS® INSECTICIDE.

Allectus® combines two of the most powerful insecticides in the turf and ornamental markets. Together, their modes of action provide unprecedented levels of control over damaging turf pests. You just can't buy a more powerful insecticide.

Control above and below ground.

Ornamental and ground cover insects:

- Adelgids, aphids, ants, bagworms, black vine weevils (adults and larvae), borers, broad mites, budworms, flea beetles, gall midges, grasshoppers, gypsy moths, Japanese beetle adults, lace bugs, leafhoppers, leafrollers, leaf beetles, leaf-feeding caterpillars, leafminers, mealybugs, mosquitoes, orchid weevils, plant bugs, psyllids, scales, tent caterpillars, thrips, tree moths, treehoppers, wasps, whiteflies.

Turf insects:

- Ants, armyworms, billbugs, chinch bugs, cutworms, European crane fly, fleas, mites, mole crickets, pillbugs, sod webworms, ticks, weevils, white grub larvae.

Flexible application, advanced performance.

- Flexible application windows for both grubs & surface feeders
- One application at higher rates or two applications at lower rates. Works all season long.
- Preventive control of grubs
- Preventive and curative control of surface feeders
- Up to 12 weeks of residual control of surface feeders

Frequently asked questions.

- >Q** Will Allectus insecticide cost me more?
- >A** No. In fact, Allectus is a real value, because it's competitively priced and eliminates the labor cost involved with multiple applications. So, Allectus won't increase your current costs for surface and sub-surface insect control.
- >Q** Which areas benefit most from Allectus Insecticide?
- >A** Everywhere that insect pests are found above and below the ground—and that's most of the country.

THE SCIENCE OF YOUR PROFESSION.

Every pound or ounce of Allectus is Backed by Bayer, and all the science and support you need to get the job done right. That's what you should expect from an industry leader.

Our staff is your staff.

No one invests as much in product development as Bayer. Our scientists' expertise in chemistry and formulation technology is unrivaled around the world. Our field sales and technical representatives are always ready to help you. You'll find them, along with additional information, 24 hours a day, 7 days a week at BackedByBayer.com.

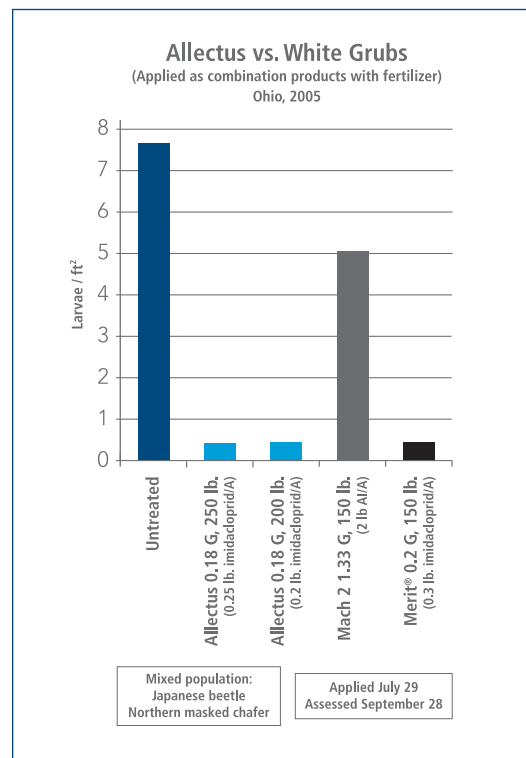

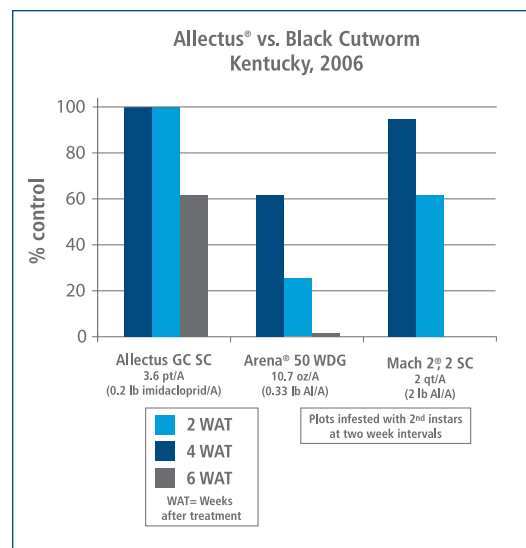

Product support year round.

We'll help you diagnose problems, troubleshoot issues, and get every product benefit you expect—and even some you don't. We also offer interactive training throughout the year, to help grow your business and your success.

Complete satisfaction guarantee.

Bayer guarantees your satisfaction, after all, your success is our success.
